

INFORMATION ABOUT YOUR BOOKED HOLIDAY HOME COMPLEX

We warmly welcome you to our “Vrisoules Pool Villa” and would like to give you some information so that you can experience a relaxing holiday.

HOUSE:

FURNISHING

Free Wi-Fi (local quality), 2x Smart TV, 2x Nespresso machines, 2x dishwashers, 2x ovens, 2x large refrigerators, 1x microwave, 4x air conditioning, 2x washing machines, enough dishes, glasses, cutlery, pots and pans, etc.

CLEANING AND GARBAGE

The house will be thoroughly cleaned before your arrival. All items intended for daily cleaning, such as brooms, mops, vacuum cleaners and associated cleaning products, are in the house for your use. The resulting rubbish must be disposed of in the green rubbish bin in front of the house. We will ensure further emptying.

AIR CONDITION

The house is equipped with modern air conditioning. These are located in the three bedrooms and in the living room of the upper apartment.

LAUNDRY

Bed linen and towels, depending on the number of guests booked, are provided and changed once a week.

There is also a washing machine in the house with which you can wash your personal laundry.

OUTDOOR:

GARDEN EQUIPMENT

For cozy hours, there is a covered seating area near the pool. This roofing is equipped with an awning to protect against the low sun. Tables and armchairs, as well as sun loungers and parasols are available for relaxing stay.

POOL

The pool, which is illuminated at night, is equipped with a modern sand filter system and is checked daily for the purity of the water and serviced accordingly.

GRILLING

A spacious charcoal grill fireplace is available to our guests. The appropriate charcoal and the lighters provided are available locally.

PARKING SPOTS

You can access the property through a sliding gate that can be operated via radio control. There are two parking options available within the complex. There is a parking area at the beginning of the property, but this has a slightly further entrance to the holiday home. There is also a second parking option available directly at the pool area.

PLANTING

The pool area is planted with tropical plants, mainly palm trees and other garden plants. The property is surrounded by several old live trees.

GENERAL:

KEY

We will provide you with two sets of house keys, including a radio remote control for the automatic entrance gate, for the duration of your stay.
